

ABOUT THIS COURSE

In order to be eligible to write the 13 EASA ATPL examinations, you must either meet the experience requirements (found here: <https://www.43airschool.com/easa-exams/>) or complete an approved ground school through an EASA ATO.

43 Air School has partnered up with Bristol Groundschool in order to offer an EASA approved distance learning solution for candidates wanting to write their EASA examinations.

More information regarding the Bristol Groundschool course can be found on their website <https://www.bristol.gs/>
